HELPDESK SUPPORT

Superior Helpdesk Support services with a dedicated team of experts available 8x5 or 24x7 support day, providing quick and efficient solutions. Our advanced operational system, combined with a transparent process, ensures support at every step, giving you the confidence to run your business without interruptions.

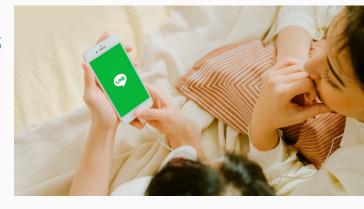

The Helpdesk Support team is separate from our Consulting team, allowing for specialized and focused service. This is one of Bexsys' key strengths.

Bexsys Helpdesk Support

LINE GROUP With Bexsys

- Managing Director
- Consulting Director
- Sales
- Consult team
- Support team

Line group for support between Bexsys team and our clients for support urgent issues, ensuring that problems are addressed and resolved promptly. Additionally, we have established KPIs to measure and ensure the effectiveness of our team's support

Web Portal

The Web Portal is another channel we have developed to support our clients, specifically for issues that do not require immediate resolution. Additionally, a monthly report is provided summarizing the information clients have submitted through the Web Portal
